

# Dreamboat

Nic Nell

I left you a million times  
I left you a million times  
The irony ain't lost on me  
    Oh no no no no no  
    Oh no no no no no  
Virginia, I miss you the most

    Virginia, I got so lost  
Your sympathy ain't wasted on me  
    I left you a million times  
    I left you a million times  
    The irony ain't lost on me  
    Oh no no no no no
