

Bloor Street West

Abandon All Ships

See you tripped on us, I see you shining
See you tripped on us, Was it to the end?
Bloor street west, burn this storm I made it now
I'll be on the vibe out
Great party so make it all bloor
Trust my chain, See you tripped on us, I see you shining
I see you tripped on us, Longer you'll be on my world
Shut the fuck up, taste so wake up and you still ..
Time shits and you '
Shut the fuck up
Shut the fuck up
What make to you? Sometimes on silence run on bloor west street
Way you on that well?
When I say all in silence
Why did you go?
Why did you go?
Why did you go?
Why did you go? See you tripped on us, I see you shining
I see you tripped on us,
See you tripped on us, I see you shining
I see you tripped on us,
No, you'll not rock my world Shut the fuck up
Shut the fuck up
Shut the fuck up
Shut the fuck up
