Queen Bee

nickasaur!

Break it down,
Crank it up,
Left to right
That's w'sup
Spin to the kick drum
Drop it down, your not done
Twinkle, twinkle, little star
I've found out where you are.
She's buzzing like a bumble bee
Flying all over me
Add it up like a mathmatician
I wanna be your new additionYour so fly,
No lie,
And you know this (ballin')
One of a kind
Top of the line
Drop dead gorgeous.I saw you from across the room
Dancing to my favorite tune.
Navigating through this crowded room
Excuse me, coming through.Break it down,
Crank it up,
Left to right
That's w'sup
Spin to the kick drum
Drop it down, your not done
Twinkle, twinkle, little star
I found out where you are.
She's buzzing like a bumble bee
Flying all over me
Add it up like a mathmatician
I wanna be your new additionLove at first flight
While frolicking through the flowers,
On a summer nightKeep on tearing up the dance floor
(Cause every one's staring at how high we'll soar)Break it down,
Crank it up,
Left to right
That's w'sup
Spin to the kick drum
Drop it down, you're not done

Twinkle, twinkle, little star
I found out where you are.
She's buzzing like a bumble bee
Flying all over me
Add it up like a mathmatician
I wanna be your new addition[x2]
