

Remember To Feel Real (Machine Shop Remix)

Armor for Sleep

So here's the truth
You were right all along
You were never my friends
I was living a lie
But I won't fall for it next time You figured me out
Like a leaf in the wind
I try to find who I am
But wind up lost in the end
Sometimes its hard to know what's real
When your not Cause you know I change myself to impress
Whoever happens to be next to me
But I'm sick of trying so hard
Waste all your time with me
I know I'm a mess right now
Don't give up, believe
I'd wait it out for you
Waste all your time with me
I know I'm a mess right now
Don't give up, believe
I'd wait it out for you Everyday I'm just making my rounds
Just digging a hole 6 feet underground
Sometimes its hard to know what's real
When your not Cause you know I change myself to impress
Whoever happens to be next to me
But I'm sick of trying so hard
Waste all your time with me
I know I'm a mess right now
Don't give up, believe
I'd wait it out for you
Waste all your time with me
I know I'm a mess right now
Don't give up, believe
I'd wait it out for you Nothings here for me
Nothings here for me
Nothings here for me
But you Waste all your time with me
I know I'm a mess right now
Don't give up, believe
I'd wait it out for you

Waste all your time with me
I know I'm a mess right now
Don't give up, believe
I'd wait it out for you I'd wait it out for you!
I'd wait it out for you!
