Inside the Fire (Live at Red Rocks)

Disturbed

Oh Devon

Won't go to Heaven

She's just another lost soul, about to be mine again

Leave her

We will receive her

It is beyond your control

Will you ever meet again.Devon

One of eleven

Who had been rendered unwhole.

As a little child,

She was taken

And then forsaken

You will remember it all

Let it blow your mind again. Devon lies beyond this portal

Take the word of one immortal Give your soul to me

For eternity

Release your life

To begin another time with her

End your grief with me

There's another way

Release your life

Take your place inside the fire with herSever

Now and forever

You're just another lost soul about to be mine again

See her, you'll never free her

You must surrender it all

In your life to meet againFire

All you desire

As she begins to turn cold and run out of time

You will shiver

Till you deliver

You will remember it all

Let it blow your mind againDevon lies beyond this portal

Take the word of one immortal

Give your soul to me

For eternity

Release your life

To begin another time with her

End your grief with me

There's another way
Release your life
Take your place inside the fire with her.Give your soul to me

For eternity Release your life

To begin another time with her

End your grief with me

There's another way

Release your life

Take your place inside the fire with herDevon

Among the livin'

Who had been rendered unwhole

As a little child

She was taken,

And then forsaken

You will remember it all

Let it blow your mind again.
