Saviour Machine II

Saviour Machine

Lord, into your hands I command my spirit,
Alive to see legions of angels awaiting my sacred incarnation
Take me home to clean this bloody robe of
The covenant sealed between heaven and earth,
I will come forth ascended in salvation
The book of life will free this rising son,
Resurrected in time now the dream has arrived
And this soul is alive, two worlds are baptized
Underneath these everlasting arms
The awaited messiah has risen to life by
The sword of the spirit in his eyes.
Can't you see, their hearts are crying with needs?
Release me to offer them freedom and peace
So profound in its nature above.
Go and make disciples of all,
One in the name of the father, and of the son,
And of the Holy Spirit of love.
The time has come, and so the band plays on,
Releasing his power, and shouting in tears,
"It is finished; do you see
The light of the Saviour inside this machine?"
