## Band of Skulls

You've seen the world  
And all the glory  
Is what you want  
The what you need  
And when you go  
Uh, you're gonna find out  
All that you were  
Was left to meWanderluster  
Wander yeah  
Wanderluster  
Wander yeahWhat you forget  
I still remember  
But far away  
The under .  
When you return uh  
I will be waiting  
In spite of all  
That's gone before2 x  
Wanderluster  
Wander yeah  
Wanderluster  
Wander yeah
