Oh Happy Days

Pugwash

Do you remember the days
Awoken by the warmth of the solar haze
Do you remember the time
Humming "Through The Trail Of The Lonesome Pine"
Happy days again (when we were thin)
Happy days again (with a permanent grin)
Happy days again
Happy days again
Oohhh
Do you remember the days
happy days
Do you remember the days
Happy days
Do you remember the days
I remember the days
Happy days
I remember the days
