## Carlos Jean

Time is gonna take my mind  
And carry it far away where I can fly  
The depth of life will dim  
My temptation to live for you  
If I were to be alone  
Silence would rock my tears  
'Cause it's all about love and I know better  
How life is a waving feather  
So I put my arms around you, around you  
And I know that I'll be leaving soon  
My eyes are on you, they're on you  
And you see that I can't stop shaking  
No, I won't step back  
But I'll look down to hide from your eyes  
'Cause what I feel is so sweet  
And I'm scared that even my own breath  
Could burst as if it were a bubble  
And I'd better dream if I have to struggle  
So I put my arms around you, around you  
And I hope that I will do no wrong  
My eyes are on you, they're on you  
And I hope that you won't hurt me  
I'm dancing in the room  
As if I was in the woods with you  
No need for anything but music  
Music's the reason why I know time still exists  
Time still exists, time still exists, time still exists  
So I just put my arms around you, around you  
And I hope that I will do no wrong  
My eyes are on you, they're on you  
And I hope that you won't hurt me  
My arms around you, they're around you  
And I hope that I will do no wrong  
My eyes are on you, they're on you  
They're on you, my eyes
