

In a Cave

Kitchens Of Distinction

I threw darts at a spinning globe
Swapping out passport photos
I walked west to the setting sun
Every single step I grow another second young
All my hair grows in
Wrinkles leave my skin
But still don't fade
I'll be back again when the tide is in some day
I don't know who else to ask
Sitting in the dark holding an empty glass
Stained my teeth with more red wine
I'm a romantic, but never pearly white

All my hair grows in
Wrinkles leave my skin
But still don't fade
I'll be back again when the tide is in some day
Elephant shell
You're my cave and I've been hiding out
Will you tell me a little bit about
A bit about yourself?
Elephant shell
You're my cave and I've been hiding out
Will you tell me a little bit about
A bit about yourself?
