Heartland (Acoustic)

Stick Figure

I got a smile on my face, it's a beautiful day
I smile to the world, I smile to the day
Ain't nothing wrong, I can't complain
This love is so strong, from playing this gameNothing but love here, in peace and harmony
Nothing but love here, it's our destinyI just need a cigarette, lord help me breathe
I ain't got a lot of regrets, still I can't sleep
So what you wanna do? What else can I say?
I hope it's not true, but you're so far awayNothing but love here, in peace and harmony
Nothing but love here, it's our destinyThe day will come, maybe not for a while
I can give you my world, we can share in a smile
Let me tell you like it is, it's all a man can really do
Close your eyes, and these words will come true
Nothing but love here, in peace and harmony
Nothing but love here, it's our destiny
