Free Me

Roger Daltrey

Free me
Can't you hear that's what I say
Free me
Anyhow or anywayI hear a voice
Call in the night
Push on the brain
Fades with the lightAnd I've seen a face
With so many eyes
Out in the words
Know there liesCan't you hear me say
Can't you hear me say
Can't you hear me sayFree me, free me
Inside I'm bleeding, can't you see
Free me
From all this pain and miseryI am a flame
But he held the fire
Call me a fool
Don't call me a liarTake me to hell
And let me stay
Get back some prize
Well, I have to payCan't you hear me say
Can't you hear me say
Can't you hear me sayFree meI lie awake
Burning inside
No where to run
And no where to hideOld lady time
She's no friend to me
I feel her change
And she holds the keyCan't you hear me say
Can't you hear me say
Can't you hear me sayFree me, free me
Can't you hear that's what I say
Free me
Anyhow or anyway
