

O Holy Night

[Lauren Daigle](#)

Oh holy night, the stars are brightly shining
It is the night of our dear Savior's birth
Long lay the world, in sin and error pining
Till He appeared and the soul felt its worth
A thrill of hope, the weary world rejoices
For yonder breaks, a new and glorious morn
Fall on your knees, oh hear the angel voices
Oh night divine, oh night, when Christ was born
Oh night divine, oh night, oh night divine
Truly He taught us to love one another
His law is love and His gospel is peace
Chains shall He break for the slave is our brother
And in His name, all oppression shall cease
Sweet hymns of joy, in grateful chorus raise we
Let all within us praise His holy name
Fall on your knees, oh hear the angel voices
Oh night divine, oh night, when Christ was born
Oh night divine, oh night, oh night divine
