

Hard To See

Five Finger Death Punch

I'm growing so disturbed.
Nothing makes sense to me anymore.
I'm learning to resist.
Becoming more than you ever were.

Can't explain,
what's come over me,
come over me.

Can't explain, why it's so hard for me.
So hard to see your side!

Projecting all my anger.
I can't seem to get this through to you.
The walls are closing in.
I dare you to walk in my shoes!

Can't explain,
what's come over me,
come over me.

Can't explain, why it's so hard for me.
So hard to your side!

YOUR SIDE!

I won't see your side!

Can't explain, what's come over me,
come over me.

Can't explain,
what's come over me,
come over me.

Can't explain,
why it's so hard for me.
So hard to see your side!

Can't explain,
what's come over me,
come over me.

Can't explain,
why it's so hard for me.
So hard to see your side!

I won't see your side!

Your side.

Can't
