Wind

Akeboshi

Cultivate your hunger, before you idealize
Motivate your anger, to make them all realize
Climbing the mountain, never coming down
Break into the contents, never falling downMy knee is still shaking, like I was twelve
Sneakin' out the classroom, by the back door
A man railed at me twice though
But I didn't care
Waiting is wasting, for people like meDon't try to look so wise
Don't cry 'cause you're so right
Don't dry with fakes or fears
'Cause you will hate yourself in the endDon't try to look so wise
Don't cry 'cause you're so right
Don't dry with fakes or fears
'Cause you will hate yourself in the endYou say, dreams are dreams
I ain't gonna play the fool anymore
You say, 'cause I still got my soul
Take your time baby
Your blood needs slowin' down
Breach your soul to reach yourself before you gloom
Reflection of fear make shadow of nothing
Shadow of nothing
You still are blind if you see winding road
'Cause there's always straight way to the point you seeDon't try to look so wise
Don't cry 'cause you're so right
Don't dry with fakes or fears
'Cause you will hate yourself in the endDon't try to look so wise
Don't cry 'cause you're so right
Don't dry with fakes or fears
'Cause you will hate yourself in the endDon't try to look so wise
Don't cry 'cause you're so right
Don't dry with fakes or fears
'Cause you will hate yourself in the end'Cause you will hate yourself in the end
'Cause you will hate yourself in the end
'Cause you will hate yourself in the end
