

Still Water

Gravenhurst

Buried in the sand
An ancient talisman touched by a thousand hands
In violence uncharted waters call to the desert's inner soil
But lead us to a wall of silence And as I lie among the stones, carvings and bones the still waters run deep buried
in the sand an ancient talisman touched by a thousand hands in violence this monument to greed we are
cowering beneath is crushing everything we fought for and as I lie among the stones, carvings and bones the
still waters run deep
