Juicy

Radiation City

Pay your
payment to me
Give it up
There's nothing left to see
You're giving
Away
your time
Come play with me
Oh oh oh oh oh oh oh oh
La la la la la
la la la la la
Play here with me
Pick your eyes in lasting lick
From a soothing song
In a dry, dry desert
Could cough and its occasion
Couldn't conjure up the statement
Cover up the prints we came in
Not enough, o lucky lemon, Juicy!
