

Raging Zef Boner

Die Antwoord

What you gonna do today ninjie, huh?
Same thing I do every day.
Kick some zef raps, speak to girls, try n take over the world.
Cool!Uh! ay yo what the fucks pumping up in this bitch?
Ninja's back, hold on to your panties
I rap fast so I make that mad cash
If you don't like it you can kiss my black ass!Oh ho! hold up!
When I'm on da mic its like oh fuck!
Mad pussy on tap when you blow up!
Who's your favourite rapper ninja? myself.
All the sexy girls want to kiss me brah
All around the world they say they miss me huh
Now I say 'you okay? how you been sweetheart?'
What you gonna do today ninjie huh?
Whatever I feel like I wanna do, fuck
Cos not doing whatever the fuck you wanna do sucks!
Girls wiggling, giggling, tellin me I'm the man
But everytime I take off my fuckin underpantsSome girls start crying, some girliez run away
I'm like 'huh what the fuck man okay'
Just relax yourself baby, its gonna be okay
It's not my fault I was born dis way
I'm an african come on girl you know whats up
This big motherfuckin dick is whats up
Brave girlz always got a lot of love
For my raging zef boner!Wow! I'm a big fuckin rap star now!
Jump on da mic and make those girlz pants fall down
I even got my own instagram: rotgot23

Et cetera, et cetera, et cetera,
Yo booty booty booty
