

# Disappearing Ink

## David Bazan

I recreate in the usual way  
Shut some breakers off but not the whole box  
Next day I fake till the fog finally abates  
Again at risk of being bored by clear thought  
Am I asleep? Am I awake?  
And why am I asking you?  
Do I enjoy the drugs I take?  
My Lord  
I hope I do  
I hope I doA false binary when it's probably something in between  
Pierce the yolk and watch it bleed together  
They may be long gone, but not forever  
Am I asleep? Am I awake?  
And why am I asking you?  
Do I enjoy the drugs I take?  
My Lord  
I hope I do  
I hope I do
