

Get Back

Britney Spears

1, 2, 3, 4

Oh no, here we go Catch me if you can

Don't move too slow

I'm on another level

Can you feel my flow? See how good

When I'm on the floor

Wonder if you're ever

Gonna zing that I got

I told you before That I'ma keep it hot

See how it is

When I walk up in the spot

Standing in a line

Ah, I think not I came to party, baby

You might think I'm crazy

By the way I'm moving

To the beat You're standing on the wall

What you come here for?

You wanna feel the heat

Dance and lose control Get back

(Get back)

Get back

If you can't take it then DJ spin it back
Know that I like it
When you do it like that
Eyes on my waist Feel you better think fast
Got that kind of body
Make you wanna spend cash
Shake it like you seen them do it
In the video Ladies on the floor
Let me see you get low
Fellas at the bar
Won't you spend a little dough? This is how I do it
When I'm tearing up the floor I came to party baby
You might think I'm crazy
By the way I'm moving to the beat
You're standing on the wall
What you come here for?
You wanna feel the heat
Dance and lose control Get back
(Get back)
Get back

If I tease you
Get you really hot

Watch me turn around Then let me show you what I got
Baby, if you're ready
Won't you step up to the plate
Don't be scared of how I'm moving Boy, don't play it safe
Let me see you move
Let me see you dance
Let me see you bounce
Danja, bring it back Get back
