You and I

Damone

You and I were cool
But every one that you pursue
Can see that I was dumb
And you would do me wrongI was real depressed
And only you
And you addressed
And now the truth is I confess
That I was wrong
I was wrong
I was wrongYou pretend that you were caring
I believed that you were best
I was so misunderstanding
Now its all for me to getYeaNow that I'm abused
By every body you abused
And every one
Can see I dumb
And I aloneI would do the worst to anybody
But the first
So I would be the one
That holds it in too long
Way too long
Way too longYou pretend that you were caring
I believed that you were best
I was so misunderstanding
Now its all for me to getYou pretend that you were caring
I believed that you were best
I was so misunderstanding
Now its all for me to getYeah, yeahYou pretend that you were caring
I believed that you were best
I was so misunderstanding
Now its all for me to get
