

Lullaby

Dakota Fanning

There must be something more to us than
You and me
It must be tangled up somehow in
Destiny I used to think the sum of one and one
was two
But we add up to more,
Me and you. When we are close together it's so
Plain to see
Together we are better than we
Used to be I don't know how to say the things I'm
Thinking of
But the something more I'm feeling
Must be love I used to think the sum of one and one
was two
But we add up to more,
Me and you. I don't know how to say the things I'm
Thinking of
But the something more I'm feeling
Must be love...
