

# Sally's Song (Nightmare Revisited)

## Evanescence

I sense there's something in the wind  
That feels like tragedy's at hand  
And though I'd like to stand by him  
Can't shake this feeling that I have  
The worst is just around the bend And does he notice my feelings for him?  
And will he see how much he means to me?  
I think it's not to be  
What will become of my dear friend  
Where will his actions lead us then?  
Although I'd like to join the crowd  
In their enthusiastic cloud  
Try as I may, it doesn't last And will we ever end up together?  
No, I think not, it's never to become  
For I am not the one And will we ever end up together?  
Ohhhhhhh
