

# Track 7

## Shawn Mendes

Staring out my hotel window  
Too much on my mind  
Maybe we should keep it simple  
We don't have to decide  
Oh no, we don't need to over-complicate it  
'Cause I've been here once before don't even say itBaby please no promises  
'Cause we won't keep our promises  
And I know the consequences  
So baby please, baby please no promisesI've never been a fan of heartbreak  
So tell me what you want  
Take my hands across your body  
We don't have to hold on  
Oh no, we don't need to over-complicate it  
'Cause I've been here once before don't even say itBaby please no promises  
'Cause we won't keep our promises  
And I know the consequences  
So baby please, baby please no promises'Cause I've living only for this moment  
And I don't wanna let it slip away  
I've been living only for this moment  
And I don't know how much that I can take, yeahBaby please no promises  
'Cause we won't keep our promises  
And I know the consequences  
So baby please, baby please no promisesYeah baby no promises, yeah  
Oh baby please no promisesBaby please, baby please no promises
