Shotgun

Wallpaper.

Uh oh uh oh uh oh
Tonight I'm riding shotgun
I won't be cool to drive when its time to go
Tonight I'm riding shotgun
I'm gonna let go shotgun.

Wet shorts wet green paper
I drink rum with Capri Sun chaser
Wet pockets wet Abe Lincolns
Hey buddy tell me what you drinkin'

Hey, champagnin' got no place in the mornin'

Tonight I'm riding shotgun
I won't be cool to drive when it's time to go
Tonight I'm riding shotgun
I can feel it tonight I am gonna let go

Hot pants, flip-flop Pradas
She's hot man, hot lava
Marco Polo
MARCO, POLO
MARCO, POLO
Yeah, hot lava

Hey, champagnin' got no place in the mornin'
