

# I Never Thought I'd See the Day

Sade

You shed a shadow on my life  
Shed a shadow on a love  
Took the shelter out of my life  
Took the shelter of a lie I could see it in your restless eyes  
The truth I was hiding  
The truth you could not disguise But I never thought I'd see the day  
I knew I'd need a miracle to make you stay  
I knew I needed a miracle  
And I never thought I'd see the day You put a shadow on a love  
Took a shelter of a lie  
Took the shelter out of my life I wish you could shelter me, shelter me now  
I need a miracle  
And I never thought I'd see the day
