# Wings

## Little Mix

Mama told me not to waste my life
She said spread your wings my little butterflyDon't let what they say keep you up at night
And if they give you shhhh
Then they can walk on byMy feet, feet can't touch the ground
And I can't hear a sound
But you just keep on running up your mouth yeahWalk, walk on over there
'Cause I'm too fly to care, oh yeah
Your words don't mean a thing
I'm not listening
Keep talking, all I know isMama told me not to waste my life,
She said spread your wings my little butterfly
Don't let what they say keep you up at night
And they can't detain you
'Cause wings are made to fly
And we don't let nobody bring us down
No matter what you say it won't hurt me
Don't matter if I fall from the sky
These wings are made to flyHuh huh
I'm firing up on that runway
I know we're gonna get there someday
But we don't need no ready steady go, no
Talk, talk turns into air
And I don't even care, oh yeahYour words don't mean a thing
I'm not listening
Keep talking, all I know isMama told me not to waste my life,
She said spread your wings my little butterfly
Don't let what they say keep you up at night,
And they can't detain you
'Cause wings are made to fly
And we don't let nobody bring us down
No matter what you say it won't hurt me
Don't matter if I fall from the sky
These wings are made to flyI don't need no one saying hey, hey, hey, hey
I don't hear no one saying hey, hey, hey, hey, hey, hey, hey, hey
You better keep on walking
I don't wanna hear your talking, boy'd
You better keep on walking
I don't wanna hear your talking, boy'dYour words don't mean a thing
I'm not listening

They're just like water off my wingsMama told me not to waste my life
She said spread your wings my little butterfly
Don't let what they say keep you up at night
And they can't detain you
'Cause wings are made to fly
And we don't let nobody bring us down
No matter what you say it won't hurt me
Don't matter if I fall from the sky
These wings are made to flyAnd we don't let nobody bring us down
No matter what you say it won't hurt me
Don't matter if I fall from the sky
These wings are made to fly
