Electric Fantasy

Jimi Blue

You're the mystery- of the community
expose yourself to me- Electric fantasy
Code l.o.v.e.- connecting you and me
the perfect place to be- Electric fantasyCommunicate- at high speed
Reverberate- our heart beat
Celebrate- the heat
Indicate- my defeat
Ignite- our chat
All night- off track
Excite- contact
Do'nt fight- no way backchorus:
You're the mystery- of the community
expose yourself to me- Electric fantasy
Code l.o.v.e.- connecting you and me
the perfect place to be- Electric fantasyEscape- our exile
Our cyber life- style
no more- self- denial
real life- so worth while
Show me- affection
So sweet- perfection
Give me- direction
Our key- connection
Be anything
you wanna be
the limit is
your fantasy
In unity
no boundary
the limit is
your fantasy
