Feel This

Descendents

Busted heart, my brain is beat, yeah
Don't want a doctor
Need zero anesthetic to make me numb
Escape is easy and everybody's offeringI wanna feel this
Gotta have to bear witness
Gonna take pain straight the way I found it
I gotta feel this
So I can kick this sickness
The only way to get my mind around itBusted brain, my heart is beat, yeah
Don't want a bottle
Or well-intended smiles and lies
Escape is easy and everybody's offering
I wanna feel this
Gotta have to bear witness
Gonna take pain straight the way I found it
I gotta feel this
So I can kick this sickness
Wanna take pain straight the way I found it
Can't get around it
Can't heal without it
