

Language Of The Heart

David Wilcox

We made our warm bed out of blankets in the meadow way up high
You took off your dress in the moonlight, to sleep beneath the sky
Your touch was a warm summer ocean
Your kiss made the whole mountain fly
And you looked deep with in me and smiled
At the tears in my eyes
Chorus You can say that you always were honest
And your words were clear from the start
But its more than just words that got spoken
There was language of the heart
I won't keep on calling your number if you never have the time
I don't want to claim you or blame you, but you're always on my mind
You had no idea I would love you
It comes as a total surprise
And you shake your head slowly and smile
At the tears in my eyes
Chorus Your eyes like an ocean of clear sunlit green
My eyes with the salt water
Wash me clean....again
And just imagine you whispered a secret that could take away my blues
And you let me believe it to please me, though it just wasn't true
You just meant to share with me pleasure
And your gifted at what you do
But your speaking an unspoken language
I thought that you knew
It's one that we all learn by heart
And our hearts think its true
