

Bridges Burn

NEEDTOBREATHE

[Intro]

Da-doo, da-doo, doo, doo, doo, doo
Da-doo, da-doo, doo, doo, doo, doo
Da-doo, da-doo, doo, doo, doo, doo
Da-doo, da-doo, doo, doo, doo, doo[Verse 1]

It's time for moving on
There's some things you can't forget
It's sinking us like a stone
I just wanna bury it[Chorus]
I wanna watch all my bridges burn
Stand in the rain 'til the page is turned
Dance in the light of a lesson learned, lesson learned
I wanna leave everything that hurts
Never go back to the way we were
Set it on fire, baby, watch it burn, watch it burn

[Post-Chorus]

Da-doo, da-doo, doo, doo, doo, doo
Da-doo, da-doo, doo, doo, doo, doo[Verse 2]
Out into the unknown
We traded in our regrets
Not gonna go alone
'Cause we're gonna finish this[Chorus]
I wanna watch all my bridges burn
Stand in the rain 'til the page is turned
Dance in the light of a lesson learned, lesson learned
I wanna leave everything that hurts
Never go back to the way we were
Set it on fire, baby, watch it burn, watch it burn

[Bridge]

Burn it all, set me free
And let the smoke blow on out to the sea
I need to find somewhere I can believe
I need to know there's a chance we can be
Burn it all, set me free
And let the smoke blow on out to the sea
I need to find somewhere I can believe
I need to know there's a chance we can be[Chorus]
I wanna watch all my bridges burn
Stand in the rain 'til the page is turned

Dance in the light of a lesson learned, lesson learned
I wanna leave everything that hurts
Never go back to the way we were
Set it on fire, baby, watch it burn, watch it burn[Post-Chorus]
Da-doo, da-doo, doo, doo, doo, doo
Da-doo, da-doo, doo, doo, doo, doo
Da-doo, da-doo, doo, doo, doo, doo
Da-doo, da-doo, doo, doo, doo, doo
