

# Have You Forgotten

## Red House Painters

i can't let you be  
cause your beauty won't allow me  
wrapped in white sheets  
like an angel from a bedtime story  
shut out what they say  
cause your friends are fucked up anyway  
and when they come around  
somehow they feel up and you feel down

when we were kids  
we hated things our parents did  
we listened low  
to casey kasem's radio show  
that's when friends were nice  
to think of them just makes you feel nice  
the smell of grass in spring  
and october leaves cover everything

have you forgotten how to love yourself?

i still can't believe all the good things that you do for me  
backyard summer pools  
and christmases were beautiful  
and the sentiment  
of coloured mirrored ornaments  
and the open drapes  
look out on frozen farmhouse landscapes

have you forgotten how to love yourself?  
have you forgotten how to love yourself?
