

Dance Me to the End of Love (GarageBand Version)

The Civil Wars

Dance me to your beauty with a burning violin
Dance me through the panic 'til I'm gathered safely in
Lift me like an olive branch and be my homeward dove
And dance me to the end of love

Please dance me to the end of love Oh let me see your beauty when the witnesses are gone

Oh let me feel you moving like they do in Babylon

Oh show me slowly what I only know the limits of

And dance me to the end of love

Please dance me to the end of love La la, la la la, la la, la la la, la la la Dance me to the wedding now, dance
me on and on

And dance me very tenderly and dance me very long

We're both of us beneath our love, and both of us above

And dance me to the end of love

Won't you dance me to the end of love
