Bay area, it is da hood of da brave  
Bay area, none of my boys are afraid  
Bay area, we got dat work down here  
Bay area, we let it go fo da low round here  
Bay area, it is da hood of da brave  
Bay area, none of my boys are afraid  
Bay area, we got dat work down here  
Bay area, we let it go fo da low 'round here  
Flickin' through da bay bumpin' Marvin gay sunny days  
I gots to get payed 20 K, oh and by the way  
The bar shifted of me and Fraiser bizzle  
That's fo shizzle all da other perpatraders  
Better be packin' they pistols, 'cuz I got pencils for pussies  
Packin' some big utin'les off the hizzle

To bess believe me like it I got to push it and shove it either way you go  
I'm hot as an oven, humpin' and bumpin' and on, on it's the dro  
The HCP family gonna represent until I die of daze satisfaction

Bay area, it is da hood of da brave  
Bay area, none of my boys are afraid

In a black Cadillac, Jack are still smokin', gimme some

This doser came from Cordova 'cuz I can't be sober  
Don't really stop da hood it what I have become to be but later on  
I be damned if I don't put this on G O B I ride deez streets

And round here we got dro by pound but half of deez  
Motha fuckers round here broka than homie the clown  
Witch means you have to take yo klan to another location  
Bring some out of towners to catch yo slack  
So if you ain't made it I tell you dis will get crazy
