

Day Is Done (Live With Symphony Orchestra)

Peter, Paul & Mary

Tell me why youre crying, my son
I know youre frightened, like everyone
Is it the thunder in the distance you fear?
Will it help if I stay very near? I am hereAnd if you take my hand my son
All will be well when the day is done
And if you take my hand my son
All will be well when the day is done
Day is done, day is done, day is done, day is doneDo you ask why Im sighing, my son?
You shall inherit what mankind has done
In a world filled with sorrow and woe
If you ask me why this is so, I really dont knowAnd if you take my hand my son
All will be well when the day is done
And if you take my hand my son
All will be well when the day is doneTell me why youre smiling my son
Is there a secret you can tell everyone?
Do you know more than men that are wise?
Can you see what we all must disguise through your loving eyes?And if you take my hand my son
All will be well when the day is done
And if you take my hand my son
All will be well when the day is done
Day is done, day is done, day is done, day is doneAnd if you take my hand my son
All will be well when the day is done
And if you take my hand my son
All will be well when the day is done
Day is done, day is done, day is done, day is done
