Afriqua

Sometimes I wonder if God laughs at me
I hear His voice when I sleep
Sometimes I wonder if the Holy Ghost
Is haunting me in my dreams
Save me
Save me
Sometimes I wonder, does an angel die?
Rest in peace, here with me?
Sometimes I wonder if a soul can cry?
I feel a pain next to mine
Can you hear me?
Can you hear me?
I don't think He died for me
I know that Heaven is a burnt out shell
I know forgiveness is the door to Hell
I know confession is a black empty lie
Look in my eyes, look in my eyes
Save me
Save me
Save me
Save me
I know that Heaven is a burnt out shell
I know forgiveness is the door to Hell
I know confession is a black empty lie
Look in my eyes, look in my eyes
