## Afriqua

Sometimes I wonder if God laughs at me  
I hear His voice when I sleep  
Sometimes I wonder if the Holy Ghost  
Is haunting me in my dreams  
Save me  
Save me  
Sometimes I wonder, does an angel die?  
Rest in peace, here with me?  
Sometimes I wonder if a soul can cry?  
I feel a pain next to mine  
Can you hear me?  
Can you hear me?  
I don't think He died for me  
I know that Heaven is a burnt out shell  
I know forgiveness is the door to Hell  
I know confession is a black empty lie  
Look in my eyes, look in my eyes  
Save me  
Save me  
Save me  
Save me  
I know that Heaven is a burnt out shell  
I know forgiveness is the door to Hell  
I know confession is a black empty lie  
Look in my eyes, look in my eyes
