

# Indifference

Jessica Riddle

Home is fine...i guess.  
It's not fun, but it's not dull.  
I sometimes feel like my life isn't empty,  
But it sure isn't full.Music's neat...i guess.  
It's goin, but it's still here.  
And I know that my life hasn't reached a peak,  
But it's only been a year.  
And I know if I give all my heart  
That I'll have nothing to fear.I'm not here, but I'm not gone.  
I don't accept, but I don't belong.  
I'm not with, but I'm not alone.  
I know people, but I'm not well known.I feel o.k....i guess.  
I'm not ashamed, but I'm not proud.  
And I know what I feel and I want  
To stand up and scream it aloud.Life's alright...i guess.  
It's not short, but it's not long.  
I sit around and I know I should  
Do what's right and avoid what is wrong.  
And I hope I can make everything o.k.,  
But you might hate this song.I'm not here, but I'm not gone.  
I don't accept, but I don't belong.  
I'm not with, but I'm not alone.  
I know people, but I'm not well known.Maybe I'm strong, maybe I'm colder.  
I still see the world like a newborn child.  
And maybe I'll understand it better when I'm older.  
Maybe not...maybe not.I'm not here, but I'm not gone.  
I don't accept, but I don't belong.  
I'm not with, but I'm not alone.  
I know people, but I'm not well known.
