

Stupid MF

Stinking Lizaveta

Is this simple enough for you, does everybody understand, are you all still followin' me?

Is this simple enough for you does everybody understand, are you all still...still...

Is this simple enough for you does everybody understand, are you all still followin' me?

Is this simple enough for you does everybody understand, are you all still...still..

Should I talk slower like you're a retard?

Should I talk slower like you're retarded?

Yo they think you're dumb

I think you're smart

No, wait, I lied

I think you're dumb

They think you're dumb

I think you're smart

No, wait, I lied

I think you're dumb

Get it?

Get it?

Get it?

You just don't get it!

Get it?

Get it?

Get it?

Stupid motherfucker

You stupid motherfucker

You stupid motherfuck...er

You stupid motherfucker

You stupid motherfucker

You stupid motherfuck...

Is this simple enough for you does everybody understand are you all still followin' me?

Is this simple enough for you does everybody understand, are you all still...still..

Is this simple enough for you does everybody understand are you all still followin' me?

Is this simple enough for you does everybody understand, are you all still...still..

Should I talk slower like you're a retard?

Should I talk slower like you're retarded?

Yo they, think you're dumb

I think you're smart

No, wait, I lied

I think you're dumb

They think you're dumb

I think you're smart

No, wait, I lied
I think you're dumb
