Coincidence

ClichÃ©

I was lying on the floor
Till I I heard you cry so close
Yes, I was thinking of suicide,suicide.
Your face,there in the mirror
Your sigh,vision in my head
Goin mad,is there someone else? Someone else?
Is there something more that I can say?I can say,I can say,I feel you closer
I can say,I can say,is the something more that
I can say,I can sayAre we living on a razor?
Is this predestination?
Im confusing what is real,what is real
Something,something is controlling
Calling,crawling in my skin
I say,is there someone else?Is there something more that I can say?I can say,I can say,I feel you closer
I can say,I can say,is the something more that
I can say,I can sayI feel you-Am I sick?Theres no end,if you believe
Coincidence,destiny,its not over
I feel you-Am I sick?Theres no end,if you believe
Coincidence,destiny,its not overGive me a sign
Give me a sign
Give me a sign
Give me a sign
I cant see you(chorus)If I have a star
You are protecting me
If I am too blind
Its just a coincidence
If I live in fera
Your sigh covers me
If I fear to live
I can say
Its not over
Its not over
