Silence

Pj Harvey

All those places
Where I recall
The memories that grip me
And pin me down
I go to these places
Intending to think
And think of nothing
But anticipate
Somehow expect you'll
Find me there
That by some miracle
You?d be aware
I?d risen this morning
Intending to break
The spell, my longing
Not to think
I freed myself from my family
I freed myself from work
I freed myself, I freed myself
And remained alone
And in my thinking
Steal you away
Though you never wanted me
Anyway
Silence, silence
Silence, silence
Silence, silence
Silence, silence
