

Out of the Darkness

Keegan Smith

I've been up, and I've been down, I've been around.
I've been living, and I've been dead, tears have fallen and I have bled.

(chorus):

"You just stay on the ground, you keep on the hustle
just takes a little time, and a little muscle"

don't ya cry for me

(chorus)

don't ya cry for me

I ask please, oh please, can I have a little peace?
Oh father, please? Help me cease
I'm dying from this disease
he said

(chorus)

won't ya smile for me
he said

(chorus)

won't ya smile for me

(chorus)

won't ya die for me

(chorus)

won't ya die for me

The good lord sees my good deeds and he know the evil side of me
now I'm out of the darkness, I'm out of the darkness
woah, it's just me. It's just me.
