

Forever Down

Black Label Society

Take a look inside the warped and the slick
Forever born again just to die so quick
The floodgates of the damned
Shall crash and burn once again
Nuke-you-lar obsession the fall of the weak
Atomic demolition destroy all you seek
The flood gates of the damned
Shall crash and burn once againDown down down
Forever downTerrified reflections that rip through the sky
Apocalyptic birth that screams and the cries
Floodgates of the damned
Shall crash and burn once again
The reverend of the grave, the mother of the end
The wings of the bastard shall spread once again
