

Undone

Rev Theory

Fate, it never followed me
Until now, I never wanted it to
 Take me, I'm caving
 I always wanted it to
 Save me, I'm waiting
I wanted everything and now
You gave it away and I've come undone
 Thinking of you, I can't let it go
 You took away now I've become
 Empty, waiting for you to fill me up
 So you came back underrated
It feels like I always wanted you to
 Force me, I'm caving
 I've seen the world around
 I've turned in and hated
 I've fucked up everything till now
You gave it away and I've come undone
 Thinking of you, I can't let go
 You took away now I've become
 Empty, waiting for you to fill me up
You gave it away and I've come undone
 And if you tear out my eyes
 Will I still feel you there?
 And if you tear out my eyes
 Will I still feel?
 Lies
You came into my life
 All I see is lies
You came into my life
 All your fucking lies
 Every fucking time
 All your fucking lies
 Every fucking time
