

Love Junkie

Jennifer Leonhardt

Well I'm a junkie for ya baby
Can't make a move in any way
Said I'm a junkie for your love
Can't make a move in any way
I'm so crazy on the pheromone
I'm jus fine for losin' my way

I'm a junkie for you, babe
I got my hand back on the telephone
Yeah I'm a junkie for ya babe
Got my hand back on the phone
I'm gonna call you up baby
Order me up some dog and some bone

Ah it'll wear you down
It'll turn you all around
uh huh

I am a junkie for you baby
I do not care if I got a dime
I am a junkie for your sweet love
I do not care if I got a dime
We're just getting started sweetheart
We gotta throw this thing some time

You think yer goin left but maybe it's right
So all-fired up you dont know day from night
Come on down with me babe underneath the fifth street underpass
We're gonna bring in the new year and it's gonna kick ass

Ah it'll wear you down yeah
It'll turn you all around
mmmmhnm
