

Believer (Vince Clarke Remix)

Goldfrapp

A cupid on the go
No arrow and no bow,
Yeah, yeah, yeah I thought you'd gone for good
I hadn't understood
Yeah, yeah, yeah Rushing like the sea
You've come back to me
I'm a believer, I'm a believer, I'm a believer
In you now
I'm a believer, I'm a believer, I'm a believer
In you now Maker of a dream
Leading every scene
Yeah, yeah, yeah
I needed to survive
Without you I would die
Yeah, yeah, yeah Rushing like the sea
You've come back to me
And I would say I'm a believer, I'm a believer, I'm a believer
In you now
I'm a believer, I'm a believer, I'm a believer
In you now Dreaming
You're dreaming
Dreaming of the love
Holding on
Don't let go I'm a believer, I'm a believer, I'm a believer
In you now
I'm a believer, I'm a believer, I'm a believer
In you now
I'm a believer, I'm a believer, I'm a believer
In you now
