

# Falling Sun (Live and Acoustic)

## Anouk

Relationship lost on a stormy sea  
I hold on to you  
Just hold on to me  
When the lightning strikes  
You hear the thunder roaring  
And you don't know how long  
This will go on  
But I know I still love you  
And I know you still care  
So keep on tryin' when you're sure you still love me  
I don't know much  
But I know how to love you  
doesn't that mean anything  
I don't know much  
But I know how to love you  
A sea of love  
don't let it drown us  
We're way too far from shore  
As we go deeper  
As the wind grows stronger  
It tries to tip us over  
But we both learned how to swim  
So let's just go on  
'Cause I know I still love you  
And I know you still care  
So keep on tryin' when you're sure you still love me  
I don't know much  
But I know how to love you  
doesn't that mean anything  
I don't know much  
But I know how to love you  
Yeah I know I still love you  
And I know you still care  
I don't know much  
But I know how to love you  
doesn't that mean anything  
I don't know much  
But I know how to love you  
And that's all I need to know...
