Kill Your Television

Ned's Atomic Dustbin

She said, she said, "You don't know shit
Because you've never been there"
She turned upon him
Took him by the hairSpun him 'round about
Laughing as he fell about
Sat down for a drink
In her father's favorite chairKill your televisionI said, "I know I don't shit
Because I've never been there"
You turn upon me
Took me by the hairSpun me 'round about, pushing me out
Laughing as I fell about
Sat down for a drink
In your father's favorite chairShe saidSoap for sore eyes
I need an intermission
If looks could kill
I'd kill your televisionSoap for sore eyes
I need an intermission
If looks could kill
I'd kill your televisionKill your televisionSoap for sore eyes
