## Frown

When the storm is raging  
And thunder rolls  
Deliver us from the ocean  
Save our souls

(Gaelic chorus)

A Thiarna dean trocaira (Lord have mercy)  
A Chriost dean trocaira (Christ have mercy)  
A Thiarna dean trocaira (Lord have mercy)  
A Chriost dean trocaira (Christ have mercy)

When the winds are howling  
Vigil keep

Sheter us and save us  
From the deep

(Gaelic chorus)

A Thiarna dean trocaira (Lord have mercy)  
A Chriost dean trocaira (Christ have mercy)  
A Thiarna dean trocaira (Lord have mercy)  
A Chriost dean trocaira (Christ have mercy)

When the winds are howling  
Vigil keep

Shelter us and save us  
From the deep

(Gaelic chorus)

A Thiarna dean trocaira (Lord have mercy)  
A Chriost dean trocaira (Christ have mercy)

A Thiarna dean trocaira (Lord have mercy)  
A Chriost dean trocaira (Christ have mercy)

Thank you, Lord, you have brought us  
Safe to shore

Be our strength and protection  
Ever more

(Gaelic chorus)

A Thiarna dean trocaira (Lord have mercy)  
A Chriost dean trocaira (Christ have mercy)  
A Thiarna dean trocaira (Lord have mercy)  
A Chriost dean trocaira (Christ have mercy)
