

# Just a Simple Melody

Ella Fitzgerald

It's just a simple melody  
Designed to haunt your memory  
It's bound to get you instantly Oh, it doesn't help you to beware  
Before you even know it's there  
You're swaying to its catchy air Dancing with your favorite thrill  
He will hold you closer still And suddenly you'll both agree  
That dancing can be heavenly  
To just a simple melody De de de, that melody  
De de de, keeps haunting me  
It's just a simple melody De de, de de de, de de  
Duh duh, doo doo, de de  
De de, de de, doo doo de  
Oh, da da doo, dum de, doo doo, melody
